The motion for immediate consideration is GRANTED.

The motion for leave to file defendant's pro per motion to correct error in transcript or record is DENIED.

As a review of the lower court file and transcript reflects that Lance Newman did testify at trial and that his testimony was not included in the trial transcript, it is ORDERED that, pursuant to MCR 7.210(B)(1)(a), appointed counsel Arthur J. Rubiner, shall secure the filing of the complete trial transcript with the trial court within 35 days of the Clerk's certification of this order.

Appointed counsel for the appellant may file a supplemental brief within 21 days after the complete trial transcript is filed with the trial court and the prosecutor may file a supplemental brief within 21 days of either the service of appellant's supplemental brief or, if no appellant's supplemental brief is filed, within 42 days of the certification of this order.

The Court, on its own motion, orders that this matter is ADJOURNED from the May 1, 2007, case call. The Clerk's office is directed to place the matter on the next available case call following expiration of the time for filing supplemental briefs.
